

Circle Of Light

Ani DiFranco

standing just outside
the circle of light
avoiding the pool cues
watching the game
waiting for you
hanging in the doorway
like smoke
like mistletoe
this is where i'll be
whenever you come or go i'm gonna roll you over
gonna peel you back
expose your tender center
watch the juices flow from the crack
gonna peel you out
of your protective shell
or i might have to break right in there
and raise some hell i don't have no grand plan
for you and me
just nothing is impossible
nothing is unlikely
i'm just riding the tide
nothing more
and it's bound to take me out some
before it brings me back to shore when you look in the mirror
do you see visions of your past
i ain't got time for halfway
i ain't got time for halfassed
when i look in the mirror
i see my days to come
and my face is just a trace
of where i'm coming from
