# Ready for Camarillo

## Ambrosia

I'm 'bout ready for Camarillo
My head is goin' fast
I'm like some ship out on the ragin' sea
That's losin' its mainmastCan't find my direction
My thoughts are so confused
My problem's that there is no easy way
To heal the soul that's been abusedSought to find the difference
Between ghosts and reality
But who can tell me what's my name
I mean, what is really me?In my dreams, it seems so simple
Such an easy way to be
I'm gonna lose myself in someone else
Just to find that way to me
Find that way to meYeah, in my dreams, it seems so simple
Such an easy way to be
I'm gonna lose myself in someone else
Just to find that way to me
Find that way to meLord, just about ready
Yeah, just about ready
Can you hear me now? I'm ready
I'm about ready, huh, I'm yours
