Realm Of The Wasted

Soilwork

I'm done chasing sorrow
I facing my fear
Been searching for tomorrow
To find out who I am

My eyes are getting clearer
My heart is beating fast
I see into my future
What I found is way too sad

And it all turned into nothing
The years have fallen
Where have I been
I'm caught up in the moment
And these are my wasted years

The years have fallen
Where have I been
I'm caught up in the moment
And these are my wasted years

I'm through feeling guilty
I'm done with my past
I looked into the sunlight
I knew it couldn't last

My heart is beating fast know
I see through bloodshot eyes
Been dreaming of the future
One thing I despise
I could always see this coming

The years have fallen
Where have I been
I'm caught up in the moment
And these are my wasted years

The years have fallen
Where have I been
I'm caught up in the moment

And these are my wasted years

The years have fallen
Where have I been
I'm caught up in the moment
These are my wasted years

The years have fallen
Where have I been
I'm caught up in the moment
These are my wasted years
