Looking At You (feat. Dave Vanian)

MC5

When it happened, Something Snapped inside me
Made me wanna hide
All on my own, all on my own
I stood up on the stand my eyes shut tightDidn't wanna see anybody
Feeling alright, having a good time heh
Doing alright, doing alright
Doing alright, doing alrightI saw into the dancing crowd
Felt like screaming out loud
I saw you standing there
Saw your long, your long hair yeahOpened up my eyes baby
You made me realize what I wanna do now
I wanna do now babe, looking at you
Looking at you babe, looking at you
Looking at you, looking at you babyYou baby (x6)Yeah yeah(repeat verse 2) (with 9 extra "you baby" s)
