I'll Be Alright

Passion Pit

Can you remember ever having any fun
Cause when it?s all said and done
I always believed we were
But now I?m not so sure
Oh oh oh oh oh oh ooh
I drink a gin and take a couple of more pills
Then my parade will give you chills
A warning don?t give me up
Oh oh
I know we?ve had enough
Oh oh oh oh oh oh
You should go if you want to
Yeah go if you want to
I?ll be alright
Be alright
Well I?ve made so many messes
And its love that?s grown so restless
Your whole life?s been nothing but this
I won?t let you go unless
I?ll be alright
I?ll be alright
I?m so self loathing that it?s hard for me to see
Reality from what I dream
And no one believes in me
No not a single thing
My brain is racing and I feel like Ill explode
You?re looking at me from below

This rule wasn?t made for you.
Oh oh oh
Just go find someone new
Oh oh oh
You should go if you want to
Yeah go if you want to
I?ll be alright
Be alright
Well I?ve made so many messes
And its love that?s grown so restless
Your whole life?s been nothing but this

I won?t let you go unless
I?ll be alright
I?ll be alright
Why do I keep hounding on the separate
Has gone home now, warms my thoughts, stumbling
This party?s over ? no it isn?t happening
No wind in the sails until my ?
You should go if you want to
Yeah go if you want to
I?ll be alright
Be alright
Well I?ve made so many messes
And its love that?s grown so restless
Your whole life?s been nothing but this
I won?t let you go unless
I?ll be alright
I?ll be alright
