

Cold Wind Blows

Gary Moore

Sun don't shine 'round here no more,
Since my baby walked on out that door.
She broke my heart, make no mistake.
All I did was give.
All she did was take.
But don't you know,
Where she goes,
The cold wind blows. Well, my baby told so many lies.
I couldn't see through my blinded eyes.
She choked me up with her bad, bad seed.
Took the flowers I gave her
And strangled them with weeds.
But don't you know,
Where she goes,
The cold wind blows. I ain't gonna cry no more.
I ain't gonna cry no more.
I ain't gonna cry no more,
Cry no more. Sun don't shine 'round here no more,
Since my baby walked on out that door.
She broke my heart, make no mistake.
All I did was give.
And all she did was take.
But don't you know,
Where she goes,
The cold wind blows.
The cold wind blows.
