

Bad Girl

Trixter

Talkin' bout the bad girl There was this girl in my neighborhood
I never thought but I knew that she would
School by day, but when it comes to the night
She's doing things that only bad boys like What poppa don't know sure can't hurt
Long way from pigtails to mini-skirts
And Johnny thinks that its so damn cool
To know that his sister makes all his friends drool Talkin 'bout the bad girl
Shes the star of the show
Devil or an angel
Talkin 'bout the bad girl
If only she knows, oh yeah I tried and I tried
Yeah
Listen here On the silver screen
Theres no clothes to be seen
Yeah she moves like a pro
Well, she does it to the left, she does it to the right
There ain't nothing that she don't know What poppa dont know sure cant hurt
Long way from pigtails to mini-skirts
She makes the boys all look like fools
She plays the game by her own rules Talkin 'bout the bad girl
Well, shes the star of the show
Devil or an angel
Talkin 'bout the bad girl
If only she knows Talkin bout the bad girl
Well, shes the star of the show
Devil or an angel
Talkin 'bout the bad girl
If only she knows There was this girl in my neighborhood
I never thought but I knew that she would
School by day but when it comes to the night
Shes doing things that only bad boys like Talkin 'bout the bad girl
Well, shes the star of the show
Devil or an angel
Talkin 'bout the bad girl
If only she knows Talkin 'bout the bad girl
And shes the star, star of the show
Devil or an angel
Talkin 'bout the bad girl
If only she knows Talkin 'bout the bad girl

Talkin 'bout the bad girl
Talkin 'bout the bad girl
