

# Get Free (Vacationer Remix)

## Major Lazer

Never got love from a government man  
Heading downstream till the levee gives in  
What can i do to get the money  
We ain't go the money, we ain't gettin' out  
Heading downstream till the levee gives in  
And my dreams are wearin' thin  
All I need's relief I need I need some sympathy  
Look at me  
I Just can't believe  
What they've done to me  
We could never get free  
I just wanna be  
Look at me  
I Just can't believe What they've done to me  
We could never get free  
I just wanna be  
I just wanna dream  
All of my life been wadin in  
Water so deep now we got to swim  
Wonder will it ever end How long how long till we have a friend  
Comin' down, feelin' like a battery hen  
Waves won't break till the tide comes in  
What will I do in the sunrise  
What will I do without my dreams  
Look at me  
I Just can't believe  
What they've done to me We could never get free  
I just wanna be  
Look at me  
I Just can't believe  
What they've done to me  
We could never get free  
I just wanna be  
I just wanna dream  
We're all together in the same boat I know you, you know me  
Baby, you know me  
We're all together in the same boat  
I know you, you know me  
Baby, you know me

We're all together in the same boat

I know you, you know me

Baby, you know me

I Just wanna dream
