

# Blowing Kisses

Zoe Grace

(MUSIC)

(Intro 2x)

I'm so loved, feel your love when you're here  
I'm so loved, feel your love when you're here  
oh woah  
oh woah

(VERSE 1)

Seasons come and go,  
But we'll stay the same,  
Fate may try to save,  
But we'll never break,  
Few may never know,  
(pause)  
Feels like heaven when you're near,  
It's a different type of free.

Without you, I feel lost,  
Always in my thoughts,  
Full love just like yours,  
The strength through the dark,  
No one can compare.  
(pause)

Feel like a princess in your arms,  
I Think we're really meant to be. When you're around

(HOOK)

everything feels,  
Brand new,  
In me,  
(pause)  
With me.

(CHORUS)

I'm blowin' kisses to heaven,  
I'm so in love with my (bo or Lord) Jesus,  
Oh Oh  
He's the One that I live for,

I'm so in love with my (bo or Lord) Jesus,

I'm blowin' kisses to heaven,  
I'm so in love with my (bo or Lord) Jesus,  
(pause)

He's the One that I live for,  
I'm so in love with my (bo or Lord) Jesus,  
Oh Oh

(VERSE 2)

Feelings sometimes change,  
But mine's stay the same,  
With you night and day,  
Never grow apart,  
Sometimes it may snow,  
(pause)  
But you wrap me in your arms,  
And you whisper in my ear.

Each time I'm away,  
Nothing is the same,  
There is no debate,  
My life is a shame,  
Gloomy skies may come,  
(pause)  
But it's summer every time your (near or here),  
Hope you never ever leave. When you're around,

(HOOK)

everything feels,  
Brand new,  
In me,  
Oh, with me.

(CHORUS)

I'm blowin' kisses to heaven,  
I'm so in love with my (bo or Lord) Jesus,  
\*my bo Jesus, yeah\*  
He's the One that I live for,  
I'm so in love with my (bo or Lord) Jesus,  
Oh woh, yeah  
I'm blowin' kisses to heaven,  
I'm so in love with my (bo or Lord) Jesus,  
\*my bo Jesus, yeah\*  
He's the One that I live for,

I'm so in love with my (bo or Lord) Jesus,  
my bo Jesus, yeah heah

(BRIDGE/ENDING)

Nothing compares-  
to this thing that we have-  
I could never replace it-  
I'm forever yours.  
And I hope this (marriage?)-  
and this moment lasts forever and forever, again.

(MUSIC)
