

# Don't Push

## Sublime

Advisory - the following lyrics contain explicit language:

Stolen from an Africa land  
Chased out with a knife  
With a face like Bob Marley  
And a mouth like a motor-bike Oh well, the bars are always open  
And the time is always right  
And if God's good word goes unspoken  
The music goes all night and it goes If I was Bob Marley  
I said could you be loved?  
And if I was Half Pint  
I'd ball Lord up above If I was Mike Tyson I'd look for a fight  
If I was a Boomtown Rat I would be stayin' up all night  
If I was the King Ad-Rock I would get stupid dumb  
And if rhymes were Valiums I'd be comfortably numb If I had a shotgun  
You know what I'd do?  
I'd point that shit straight at the sky  
And shoot Heaven on down for you Because the bars are always open  
And the time is always right  
And if God's good work goes unspoken  
The music goes all night, and it goes I want a lover but I can't find the time  
I want a reason but can't find a rhyme  
And I want to start some static but I can't afford  
To get slammed to the ground  
Like I fell off my skateboard Now a days is clear as you please  
Get strapped with protection or struck with disease Laughter, it's free  
Anytime just call me 439-0116  
When your down with Sublime, you get  
Funky fresh Stolen from an Africa land  
I'll chase that other bar  
I saw my best friend tonight  
So, don't push me too far I'm gonna run  
Come down with the new lyrics, get hit, get hip  
Don't slip you knuckle heads

Racism is scism on a serious tip  
You don't believe me then I go on bust your lip  
Higher the mountain, it hard to climb  
Rougher the rhythm man, it must be Sublime  
Listen yellow lover yet it right on time  
We got cricket with the quickness and the bass line  
People wanna come up and they wan' tell me  
Smokin' crack cocaine better than Sensi  
Your're puffin' that shit yo we're sick of it  
Tweakin' every weekend and we just can't take it  
Whoa-oh, we no wan' plastic
