

# Billy Brown

## Third Day

Superstar Billy Brown  
Oh, what your doin' to this town?  
Don't you know that everybody here  
Wants to be like you  
All of your adoring fans  
Sittin' in the seats and stands  
Listening to every word you say  
And watchin' every move  
Once I saw a sign that said  
'Billy Brown for President'  
(It ain't easy)  
Bein' a star  
(It ain't easy)  
To be who you are  
(It ain't easy)  
But you're goin' far  
Well, you say, "There's nothin' to it"  
But somebody's gotta do it, boy  
Superstar Billy Brown  
Stop and listen to the crowd  
Everywhere you go  
Well everybody's screaming out your name  
Do they know the reason why  
You point your finger to the skies?  
(It ain't easy)  
Bein' a star  
(It ain't easy)  
To be who you are  
(It ain't easy)  
But you're goin' far  
Well, you say, "There's nothin' to it"  
But somebody's gotta do it, boy  
We all are watching and expect  
That whatever you're doin' next  
Well, it is gonna be the greatest thing  
We have ever seen  
(It ain't easy)  
Bein' a star  
(It ain't easy)

To be who you are  
(It ain't easy)  
But you're goin' far  
Well, you say, "There's nothin' to it"  
(It ain't easy)  
Bein' a star  
(It ain't easy)  
To be who you are  
(It ain't easy)  
But you're goin' far  
Well, you say, "There's nothin' to it"  
(But somebody's gotta do it)  
Yea, you say, "There's nothin' to it"  
(But somebody's gotta do it)  
Well you say, "There's nothin' to it"  
But somebody's gotta do it, boy
