

# All the Lines

## Fleurie

Powers in the picture  
Worries in the victor  
Movement out of the water  
Writing on the wall  
Where your going I'm coming  
Where it, I don't know but I release it all  
All the lines that you've cross  
Your mind is jaded  
Your love is faded  
Your future is painted by the brush strokes of your feet  
And your mind is in pavement  
Trying to make a statement  
All you got is payment coming your way  
Powers in the lime line  
Victories in the sidelines  
Stranded on the shorelines  
Angels and their sin  
Where it, I have to follow  
Truth That I got to swallow  
I'm tipping over the edge  
All the lines that you've crossed  
Your mind is jaded  
Your love is faded  
Your future is painted by the brush strokes of your feet  
And your mind in pavement  
To make a statement  
All your got is payment coming your way  
How could you see the wonders of  
How could you know what is already gone  
How could you see it when it is already gone  
How could you know I was already gone  
Oo all the lines you've have crossed  
Your mind is jaded  
Your love is faded  
Your future is painted by the brush strokes of your feet  
And your mind is in pavement  
Trying to make a statement  
All you got is payment coming your way
