

# West Coast Blues

## Karrin Allyson

I got a baby on the East Coast  
I got a gig goin' on the West Coast  
Suitcase full of sorrow  
I'm so tired of payin' traveling dues  
Lonely in the evenin'  
No good make believin'  
Anyone else could make me happy  
Like my little darlin'  
One of these days I'm goin'  
To pack my bags on go way back home  
Where I can see my baby on the East Coast  
I got the blues ...

I got a baby on the East Coast  
Gig goin' on the West Coast  
Suitcase full of sorrow  
Tired of payin' traveling dues  
Lonely in the evenin'  
No good make believin'  
Anyone else could make me happy  
Like my little baby  
One of these days I'm goin'  
To pack my bags on go way back home  
Where I can see my baby on the East Coast  
I got the blues ...

I got a baby on the East Coast  
I got a gig goin' on the West Coast  
Suitcase full of sorrow  
Tired of payin' traveling dues  
Lonely in the evenin'  
No good make believin'  
Anyone else could make me happy  
Like my little darlin'  
One of these days I'm goin'  
To pack my bags on go way back home  
Where I can see my baby on the East Coast  
I got the blues ...
