

He Said, She Said

Cherish & Nephu

Boy walk in the spot he so fresh n?, uh huh
He got what he needs to impressin'
Just look at the way that he dressin'
Ain't no question, chicks like 'what'
Girl walk in the spot, she stop traffic
She?s got everything, you can't pass it
So Jessica Alba fantastic
Instant classic, boys like 'woo'
Baby I can see us bein' like that, like that
Baby I can see us dancin' like that, like that
Baby I can see us chillin' like that, like that
We don't need no more that he said, she said
Baby I can see us bein' like that, like that
Baby I can see us dancin' like that, like that
Baby I can see us chillin' like that, like that
We don't need no more that he said, she said
He said, "Girl you winnin'"
She said, "Boy where you been at?"
Stop talking for a minute"
Just like that they
He said, "You?re my baby"
She said, "You drive me crazy
No more deliberatin'
Watcha doin'? Let's get movin'"
Just like that they
Boy actin' as if there's no pressure
He'd do everything to impress her
He'd say anything to just win her
Money spent to diamonds sent her
Girl playin' it cool, but she?s with it
She's lovin' the fact that she's gifted
Everything that he do, she gets lifted
Feels so wicked, dancin' like 'what'
Baby I can see us bein' like that, like that
Baby I can see us dancin' like that, like that
Baby I can see us chillin' like that, like that
We don't need no more that he said, she said
Baby I can see us bein' like that, like that

Baby I can see us dancin' like that, like that

Baby I can see us chillin' like that, like that
We don't need no more that he said, she said

He said, "Girl you winnin'"

She said, "Boy where you been at?"

Stop talking for a minute"

Just like that they

He said, "You're my baby"

She said, "You drive me crazy

No more deliberatin'

Watcha doin'? Let's get movin'"

Just like that they

One day with you, boy just one day with you
Everything's so brand new, everyday I think of

Being with you, no one else but us two

All our dreams would come true

If we just got together

Baby I can see us bein' like that, like that

Baby I can see us dancin' like that, like that

Baby I can see us chillin' like that, like that

We don't need no more that he said, she said

Baby I can see us bein' like that, like that

Baby I can see us dancin' like that, like that

Baby I can see us chillin' like that, like that

We don't need no more that he said, she said

Uh, what ya waiting for?

He said, "Girl you winnin'"

She said, "Boy where you been at?"

Stop talking for a minute"

Just like that they

He said, "You're my baby"

She said, "You drive me crazy

No more deliberatin'

Watcha doin'? Let's get movin'"

Just like that they

What, uh huh, uh huh

We don't need no more that he said she said

Uh huh, uh huh, ha

We don't need no more that he said she said
