

I Just Wanna Dance - Kago Pengchi Remix

Tiffany

Walking downtown streets under city lights, hey
I feel the energy flowing through my veins tonight, ah Wearing my party shoes on my feet

Even they're moving to the beat

It's alright, it's alright

When the club closes at 3

We can take it to the streets all night

Ain't no stopping 'cause I just wanna dance the night away

I love it when the beat moves me this way

And I'm not going home, I'm here to stay

So come on over here and dance with me

I just wanna, dance the night away

Dance the night away

I just wanna, dance the night away

Dance the night away

I just wanna

I just wanna

I just wanna I've been sippin' on this Gin & Tonic way too much, ah

But what I'm intoxicated from ain't in my cup Wearing my party shoes on my feet

Even they're moving to the beat

It's alright, it's alright

When the club closes at 3

We can take it to the streets all night

There'll be no stopping 'cause

I just wanna dance the night away

I love it when the beat moves me this way

And I'm not going home, I'm here to stay

So come on over here and dance with me (oh oh) I just wanna, dance the night away (I just wanna, I just wanna dance!)

Dance the night away

I just wanna, dance the night away

Dance the night away

I just wanna

I just wanna

I just wanna I won't ever care about the things they do or say

No no no no no

I'm just gonna keep it moving on

'Cause I just wanna dance! I just wanna dance the night away (oh oh!)

I love it when the beat moves me this way (no ooh, ooh!)

And I'm not going home, I'm here to stay

So come on over here and dance with me (oh oh!)I just wanna, dance the night away (I just wanna, I just wanna
dance!)

Dance the night away

I just wanna, dance the night away (and I just wanna)

Dance the night away

I just wanna
