

# Kids Wanna Rock

## The Robotix

Turned on the radioÂ  
Sounded like a discoÂ  
Musta turned the dial for a couple of miles  
But I couldn't find no rock 'n rollÂ  
This computerized crap ain't gettin' me offÂ  
Everywhere I go the kids wanna rockÂ London to L.A.Â  
Talkin' 'bout the New Wave  
For a couple of bucks you get a weird haircut  
And waste your life awayÂ  
Around the world or around the blockÂ  
Everywhere I go the kids wanna rockÂ Get me my D.J.Â  
I got somethin' he's gotta playÂ  
I wanna hear it I can't waitÂ  
Turn it up, turn it up, yeah owhKick down the barricadesÂ  
Listen what the kids sayÂ  
From time to time people change their minds  
But the music is here to stayÂ I've seen it all from the bottom to the topÂ  
Everywhere I go the kids wanna rockÂ Around the world or around the blockÂ  
Everywhere I go the kids wanna rockÂ Everywhere I go the kids wanna rock
