

Don't Think I Don't Think About It

Darius Rucker

I left out in a cloud of taillights and dust
Swore I wasn't coming back, said I'd had enough
Saw you in the rear view standing, fading from my life
But I wasn't turnin' 'round
No not this time[Chorus]
But don't think I don't think about it
Don't think I don't have regrets
Don't think it don't get to me
Between the work and the hurt and the whiskey
Don't think I don't wonder 'bout
Could've been, should've been all worked out
I know what I felt, and I know what I said
But don't think I don't think about it When we make choices, we gotta live with them
Heard you found a real good man and you married him
I wonder if sometimes I cross your mind
Where would we be today
If I never drove that car away? But don't think I don't think about it
Don't think I don't have regrets
Don't think it don't get to me
Between the work and the hurt and the whiskey
Don't think I don't wonder 'bout
Could've been, should've been all worked out
Yeah I know what I felt, and I know what I said
But don't think I don't think about it But don't think I don't think about it
But don't think I don't think about it
Don't think I don't have regrets
Don't think it don't get to me
Between the work and the hurt and the whiskey
Don't think I don't wonder 'bout
Could've been, should've been all worked out
I know what I felt, and I know what I said
But don't think I don't think about it, no no Don't think I don't
Don't think I don't
