# Motorbreath

## Hamilton

Living and dying, laughing and crying
Once you have seen it, you will never be the same
Life in the fast lane is just how it seems
Hard and it's heavy, it's dirty and meanMotorbreath, it's how I live my life
I can't take it any other way
Motorbreath, the sign of living fast
It is going to take your breath awayDon't stop for nothin', it's full speed or nothin'
I am takin' down, you know, whatever's in my way
Gettin' your kicks as you're shooting the line
Sending the shivers up and down my spineMotorbreath, it's how I live my life
I can't take it any other way
Motorbreath, the sign of living fast
It is going to take your breath awayThose people who tell you not to take chances
They are all missing on what life's about
You only live once so take hold of the chance
Don't end up like others, the same song and danceMotorbreath, it's how I live my life
I can't take it any other way
Motorbreath, the sign of living fast
It is going to take your breath away
