Gamblin' Man

Limbeck

We started early, and we'll be back in a week.
It's on account of one thing Ã¢?? we're out of funding.
And I know, we're leaving
Before we finish everything we planned from the beginning.

Everyone's dirty.
Slept on 11th and 5th.
We woke up at 1:30, hopped on the 80.
And I know we're losing.
But don't go blow it on the highway back to Kansas City.

Don't be mad, but don't be glad 'cause you lost.
Justin's always losing.
We've got a couple twenties and two quarters towards the winnings.
We're probably on our way to spend whatever's left.

I'm not saying that I wouldn't do what he did.
I'm not saying that I've never been where he's been.
