

Run with Me

The Ready Set

Don't you hate this sound
You say you'll work it out
But fumes this loud
It's not worth sinking in so deep
You got? in your sleep enough
If it all comes falling down
I'll be there to break you out And I will be the light, that lives inside your energy
So even in the dark you'll find your way back home
Closer and closer now I know
You're one of me
You will never live to fight this war alone
So run with me
Run with me
Run with me
Run with me I know you crave escape
To throw your past away, to chase a better day
But it's not working out
And everywhere you go with I'll keep you safe
Until you see a greater meaning (Pre-)
(Pre-)
So run with me
Run with me
Run with me
Run with me
