Ordinary Things

Lukas Graham

You thought that I could change
But I'm all the same
Girl, I'm all the same
You, thought that you could work me out, ooh,It's just that all these ordinary things
Ordinary things seem to haunt you
Making me wanna dump you
Just that all these ordinary things
Ordinary thing seems a lot
Why don't we just break it off? HeyYou had me in your hand
And I don't understand
Why you tripping, 'cause I ain't slipping
Baby, I'm your manYou tax excessively
You can leave me be
I don't ask you, what you're up to
But you keep calling meYou have got to stop these things
I need someone with confidence
Confidence ain't buying rings
And ask me where I drink my drinksI don't need you
To tell me what to do
It's all up in your headAnd I'm just sorry that these ordinary things
Ordinary things seem to haunt you
Making me wanna dump you
Just that all these ordinary things
Ordinary thing seems a lot
Why don't we just break it off? HeyOoh, (x2)We've got to end this show
I've got to let you go
I can't stand it, you're too demanding
Such a jealous hoYou put it in my head
Like a bullet made of lead
Baby, stop it, you've got to drop it, ehYou should know what happens when you say them things you say
Your value falls, girl, it falls
Don't blame me for shit I didn't do
Maybe I should've gone out cheating on youYou have got to stop these things
I need someone with confidence
Confidence ain't buying rings
And ask me where I drink my drinksI don't need you
To tell me what to do
It's all up in your headAnd I ain't sorry that them ordinary things
Them ordinary things used to haunt you

'Cause, baby, now I dumped you
And all them ordinary things
Them ordinary things were too much
'Cause now I broke it off
