Two Can Play That Game

Bobby Brown

Two can play that game
Two can play that game
Two can play that game
Two can play that game
Stay with me but if you want to leave
Take your things forget all about me
Tell me why you fail to realize
That you might not ever get another try
Girl, think about it before you leave
'Cause Bobby's got a brand new swing
And if you want to do your own thing
I hear what you're sayin'
Two can play that game you're playin'
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Listen, lately you've been actin' mighty strange
To me it seems your attitude has changed
And suddenly you just don't seem the same
Instead of playin' all those silly games
Girl, think yeah about it before you leave
'Cause Bobby's got a brand new swing
And if you want to do your own thing
I hear what you're sayin'
Two can play that game you're playin'
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Everybody wants to be a new jack, frontin' the styles
Of the Brown's kind of wild now I'm back
But don't get me wrong 'cause I was never gone
I was here all along see my flavor stands strong
And get ya and can swift ya
Ted do they know where I'm comin' from?
Hey yo Ted, do they know where I'm comin' from?
Hey yo Ted, do they know where I'm comin' from?
Bust it, let's groove to the new type of stylin'

Get wild and loose with the darker the berry and sweet juice
And when I burst you only two words is hurt me, hurt me
Just better stand still I move at will then I make my kill
Snatch and tax your brain, goddamn I'm insane
But I refrain from usin' that name
'Cause two can play that game
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Yo band drop it, sing
Yeow
Say, "Yo"
Say, "Yeow"
Say, "Baby I owe you"
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Two can play that game
Yo band drop it, come on
Yeow
Say, "Yo"
Say, "Yeow"
Say, "Baby I owe you"
Two can play that game
Two can play that game
Two can play that game
Two can play that game
