## Lana Del Rey

Uh! don't fuck with me!  
touch touch(repeated)  
Don't fuck with me! touch touch(repeated)  
Don't fuck with me.."Fuck you" attitude  
You know what I wanna do  
Light it up red, white and blue  
Do I look high to you? that's because I am  
that's because I am  
Do you know what I had to do  
To get here, man!?No no, you don't don't  
Cause you're not a gangsta "ah oh"  
No no, you don't don't  
Cause you're not a gangsta  
Like I am...Scarface, sacrifice  
Sold my soul to make it nice  
It was worth it, paid the price  
Life is death when blow is lifeBut me & my crew  
We know what we like  
We know how to roll  
Will we ever stop? No!Don't fuck with me  
Don't fuck with me  
You're not a gangsta(repeated)  
Don't fuck with me (repeated)  
You're not a gangsta(repeated)  
Like I amDon't fuck with me  
"Ohhhhhhhhhhhh"....(repeated)  
Don't fuck with me! (repeated)"Ohhhhhhhhhhhh"....(repeated)  
Yes, yes yes (repeated)  
"Ohhhhhhhhhhhh"....(repeated)  
Yes, yes yes (repeated)  
Don't fuck with me!(repeated)"Ehhhhh uhhhh" (repeated)  
Don't fuck with me"Ehhhhh uhhhh" (repeated)
