When Sunny Gets Blue

Johnny Mathis

When Sunny gets blue, her eyes get gray and cloudy
Then the rain begins to fall, pitter-patter, pitter-patter
Love is gone, so what can matter
No sweet lover man comes to callWhen Sunny gets blue, she breathes a sigh of sadness
Like the wind that stirs the trees
Wind that sets the leaves to swaying
Like some violins were playing weird and haunting melodiesPeople used to love to hear her laugh, see her smile
That's how she got her name
Since that sad affair, she's lost her smile, changed her style
Somehow she's not the sameBut memories will fade and pretty dreams will rise up
Where the other dreams fell through
Hurry new love, hurry here to kiss away each lonely tear
And hold her near when Sunny gets bluePeople used to love to hear her laugh, see her smile
That's how she got her name
Since that sad affair, she's lost her smile, changed her style
Somehow she's not the samePeople used to love to hear her laugh, see her smile
That's how she got her name
Since that sad affair, she's lost her smile, changed her style
Somehow she's not the sameBut memories will fade and pretty dreams will rise up
Where the other dreams fell through
Hurry new love, hurry here, to kiss away each lonely tear
And hold her near when Sunny gets blueHold her near when Sunny gets blue
