I'm Alive

Deitrick Haddon

Ah ah, ah ah
Ah ah, ah ah
Ah ah, ah ah
Ah ah, hey, hey, hey, I'm aliveLook in the mirror tell me
Tell me what you see
All the expressions of the
Life that shouldn't be
Are you in a place
You fell far from grace, ooh
It's not over till it's overI can relate 'cause I've been there before
(I've been there before)
The battles not yours
So you don't have to fight no more
No more
You're still here so let go of your fears and sayI'm alive
Don't just sit there
Get up and tell the world that
I'm alive
It belongs to you
So go and get your life back and sayAh ah, I'm alive
Ah ah, I'm alive
Use the next breath that you take to say
Hey, hey, hey, I'm aliveI know you got a lot of questions
Questions on your mind
Searching for the truth and will we ever find
What's my purpose and help me understand
I just really need to knowOnce again I've been right where you are
I been there where you are
All you got to do is look deep inside your heart
In your heart
Your heart is still beating
So as long as your still breathing sayI'm alive
Don't just sit there
Get up and tell the world that
I'm alive
It belongs to you
So go and get your life backAh ah, I'm alive
Ah ah, I'm alive
Use the next breath that you take to say

Hey, hey, heyJust realize that you have a job to do
How you live this life is totally up to you
You can sit back and watch
Your life just past you byMake your dreams come true
Or you can just let them die
We all gotta go through things
But you're gonna come out on the other side
So just proclaim thatI'm alive
Don't just sit there
Get up and tell the world
I'm alive
It belongs to you
So go and get your life backAh ah, I'm alive
Ah ah, I'm alive
Use the next breath that you take to say
HeyI'm alive, I'm alive
Ah ah, I'm alive
Ah ah, I'm alive
Hey, hey
