They just have to go 'cos they don't know whack
So all you fill the streets it's appealing to see
You won't get out the county, 'cos you're bad and freeYou've got a new horizon it's an ephemeral style
A melancholy town where we never smile
And all I wanna hear is the message beep
My dreams, they gotta catch me, 'cos I don't get to sleep, noWindmill, windmill for the land
Love foreverhand in hand
Take it all in on your stride
It is sticking, falling downLove forever, love is free
Let's turn forever you and me
Windmill, windmill for the land
Is everybody in?Laughing gas these hazmats, fast cats
Lining them up like ass cracks
Ladies, ponies, at the track
