

# Never Been Better

## Olly Murs

Burning from the sky  
There's no gravity  
Hunger in my eyes  
Ain't no stopping me  
Can't bring me down  
I guess it goes around  
Hot over my head  
Back against the wall  
I'm 100% and not afraid to fall  
I risk it all  
When it comes to call Tell me now did I get your attention?  
Did you get the answer to your question? Everybody cries  
But not today, not today  
'Cause I won't let ya  
Everybody dies  
But not today, not me  
'Cause I've never been better I'm still on my feet  
The world can't knock me down  
'Cause I won't take defeat  
I'm still chasing the crowd  
But I'm still around  
Look who's winning now Tell me now did I get your attention?  
Did you get the answer to your question? Everybody cries  
But not today, but not today  
'Cause I won't let ya  
Everybody dies  
But not today, but not me  
'Cause I've never been better All together  
Never been better  
All together  
I've never been better I'm never giving up  
No such thing as enough  
I keep on winning  
Just beginning to get all that I want  
Nothing can hold me back  
'Cause I'm not made for that  
I'm always good but I've been better lately Everybody cries  
But not today, but not today  
'Cause I won't let ya

Everybody dies  
But not today, but not me  
'Cause I've never been betterAll together  
Never been better  
All together  
I've never been betterEverybody cries  
But not today, but not today  
'Cause I won't let ya  
Everybody dies  
But not today, not me  
'Cause I've never been betterAll together  
Never been better  
All together  
I've never been better
