

Your Summer Dresses Bore Me

Weston

I called you up to say I'm sorry
And we deserve a second chance
But you won't pick up the phone
You just won't pick up the phone
And I sat around all day just thinkin'
Of what you never meant to me
But you won't pick up the phone
You just won't pick up the phone
I guess I'm better off alone
But your summer dresses bore me
Just like everything you do
I can wait around forever
But I won't wait long for you
I called you up to say I'm sorry
And I wish I never fell for you
But you won't pick up the phone
You just won't pick up the phone
I guess I'm better off alone
But your summer dresses bore me
Just like everything you do.
I can wait around forever
But I won't wait long for you
And your summer dresses bore me
Just like everything you do
I can wait around forever
But I won't wait long for you
Long for you
Long for you
Wait long for you
