

Time to Make a Change

Goldie Lookin Chain

ime for the GLC to make a change innitLookin' back, times they was whack
I used to steal from my grandma, my style was so slack
Nothing i could do to stop sucking on a brew (?)
If I kept on this way next stop was the glue
Had to get away, had to find a way out
So I raised up my fist and gave a GLC shoutTidyLookin back, I was on the edge
But I had to make a pledge
To the GLC, cos you knows they'll set you free
And if you open your eyes you can see
You knows it
1983 to the present day
Safe as fcuk
Knows it
Yeah, the GLC saved a lot of people's lives
Stopped a lot of people getting stabbed with big knives
All these people here in one big crew
... (?) between me and you
We wanna stop all the violence on the streets
We wanna get the kids together
Wanna make 'em feel sweet
We gotta stop all the stuff thats goin' on
... (?), and smoke on a bongGLC GLC (serious)
The only thing in life what could ever save me (respect)
GLC GLC (38 double D Killer, ... ?)
The only thing in like what could ever save me (2000 AD)
GLC GLC (the rod ?))
The only thing in life what could ever save me (Benwa Balls)
GLC GLC (One Step Down)
The only thing in life what could ever save me (Burnside)
GLC knows it2000 AD2000 AD was a bad boy you see
That's what they said back in early '83
It wasn't my fault, my father was a boozier
He used to beat me up and said I was a loser
But times they have changed
My style's less insane
Cos I sees the light in the Goldie Lookin Chain
Big shout out to DCI Burnside
Billy WebbSafe as fcuk
One Step Garage Crew

You fcukin' knows it You know, sometimes I go into Pil late at night
 I sees robbings and beatings
 People smokin' draw
 I think, there's gotta be a better way man
 Ya know, I think it's time for the GLC to make a change
 It's time to make a fresh start
 Like Biggie n 2Pac, innit GLC GLC
 The only thing in life what could ever save me

 The only thing in life what could ever save me Lookin back, times was strange
 Like Barry Bethel makin the change
 Blastin through, using tablets and pills
 At community centres I got the skills
 But now we gets together in the GLC
 And smokes loads of fags and has cups of tea
 You gotta do it

 Like YTS when you're smacked out on glue Oh son, the days of the 9 bar are over
 It's all ounces and quarters now clart
