

Pretty Blue World

[Billy Falcon](#)

Pretty blue world, spinning in space
It's been that way since the first tear rolled down Adam's face
Man we get beat up, time's taken more than its toll
When times get this hard girl, it's hard to take hold I don't wanna give up
Baby, hold on to me girl, I'll hold on to you
Faith, hope and love's what it takes to get through
In this pretty blue world, it's a pretty blue world Waking up to a struggle, it don't want to face
It ain't got a choice, now we're stuck in this place
Is anybody up there, sometimes it's hard to believe
I think our prayers have been answered, we've got what we need When you wanna give up
Baby, hold on to me girl, I'll hold on to you
Faith, hope and love's what it takes to get through
In this pretty blue world, it's a pretty blue world
It's a pretty blue world, it's a pretty blue world Ain't much that's certain between the curtains
But as long as this world continues to spin
No matter how blue, baby this much is true, baby
Faith hope and love, faith hope and love
Faith hope and love, faith hope and love Baby
Hold on to me girl when it gets cold
Do I have your love that's all I need to know
In this pretty blue world, it's a pretty blue world
It's a pretty blue world, it's a pretty blue world It's a pretty blue world, it's a pretty blue world
It's a pretty blue world, it's a pretty blue world
It's a pretty blue world, it's a pretty blue world
It's a pretty blue world, it's a pretty blue world
