

# Technicolor

## Ms. John Soda

So diamond human, passing before  
To pin my eyes on blue, your eyes

So diamond human, passing before  
I run to write what blew away

I don't want to see you  
Technically more than color  
Take my eyes in light green  
Blind

Colored days not in you  
Not illumined faces  
That are few or more than  
Paint

So diamond human, passing before  
To pin my eyes on blue, your eyes

So diamond human, passing before  
I run to write what blew away
