Stupid Me

MAGIC!

Oh oh oh, oh oh, oh oh
Oh oh oh, oh oh, oh oh
Oh oh oh, oh oh, oh ohStupid me, I don't know how to slow down
Felt your touch and now I want it all now (Oh)
Waiting by the phone begging for a call now
Centuries go by, and still there's no soundWhy do you play with my heart, why do do do you?
(Do do do you, do do do you)
When you know that I see right through through through you? (Oh)But if you don't love me the way I love you
And if you don't want me the way I want you
Hey if you don't need me the way I need you (Oh)
I just got one thing to say to you, stupid youStupid you, you don't know how to act right
Gave you the best sleep you ever had in your life (Oh)
And all you had to do was kiss me goodnight
A sweeter man like me you won't find (Oh)So why do you play with my heart, why do do do you?
(Do do do you, do do do you)
When you know that I see right through through through you? (Oh)But if you don't love me the way I love you
And if you don't want me the way I want you
Hey if you don't need me the way I need you (Oh)
I just got one thing to say to you, stupid youOh oh oh, oh oh, oh oh
Oh oh oh, oh oh, oh oh
Oh oh oh, oh oh, oh ohSo why do you play with my heart, why do do do you?
(Do do do you, do do do you) Ey
When you know that I see right through through through you? (Oh)So if you don't love me the way I love you
And if you don't want me the way I want you
Then if you don't need me the way I need you (Oh)
Now I just got one thing to say to you, stupid you
Ey, stupid you, oh oh ohStupid me for falling for you
Stupid me for falling for you
