Good Love Can Never Die

Alvin Stardust

Good love can never die
true love is paradise.
Love is cruel
love is kindWith love you see
with love you're blind
Alone at night you're sad and blue
But don't despair
he'll come back to you.
Good love can never die
trust me baby
I tell no lie
I say
Good love can never die
true love is paradise.
There'll be hurt
there'll be painTrust in me baby he'll be back again
When you think he don't want you
For all you know he's been crying too.
Good love can never die
trust me baby
. . .
In this world sometimes we lose our faith along the way
Oh
it's hard to keep on hoping but believe me when I say:Good love can never die
trust me baby
. . .
