

Fades Like a Photograph

Filter

Have you ever seen the stars at night and wondered, "Why so bright?"
Have you ever seen the sunset on a cloudy night and wondered, "Why tonight?" And maybe there's just one time
with you I want to remember for eternity.

(For eternity.) Photographs taken, like memories of you, they disappear.

Colors of your eyes, they fade with time; they just can't stay clear. Fades like a photograph...

Just want to bring you back. Have you ever seen the bottom of the ocean from a plane? What a sight.

Have you ever seen a sunrise in the snow cap mountains? The twilight. And maybe there's just one time with
you I want to remember for eternity.

(For eternity.) Photographs taken, like memories of you, they disappear.

Colors of your eyes, they fade with time; they just can't stay clear.

Photographs taken, like memories of you, they disappear.

Colors of your eyes, they fade with time; they just can't stay clear. Fades like a photograph...

Just want to bring you back.
