Plastic

Ten Foot Pole

obsolete
i cant complete
thrown away
an 8-track tape
time
no friend of mine
faded works of art
stopped my
friend's heart
i want to last forever like plastic
in the landfill of your memory
will u remember me?Stay
another
day
let's just talk
ignore the clock
go
like melting snow
dont ask why
hello goodbye
when my warranty expires
when ive been
replaced
when all is said and done
will there be a trace?
will you remember me?
