

Bleed Red

Ronnie Dunn

Let's say we're sorry, before it's too late, give forgiveness a chance

Turn the anger into water; let it slip through our hands

We all bleed red, we all taste rain, all fall down, Lose our way,

We all say words we regret, we all cry tears, we all bleed red

If we're fighting, we're both losing; we're just wasting our time

Because my scars, they are your scars and your world is mine

You and I, we all bleed red, we all taste rain, all fall down, lose our way

We all say words, we regret, we cry tears, we all bleed red

Sometimes we're strong, sometimes we're weak, sometimes we're hurt and it cuts deep

We live this life, breath to breath, we're all the same; we all bleed red

(Instrumental break)

Let's say we're sorry? Before it's too late?.

We all bleed red, all taste rain, all fall down, lose our way,

We all say words we regret, we all cry tears we all bleed red,

Sometimes we're strong, sometimes we're weak; sometimes we're hurt

It cuts deep; we live this life breath to breath; we're all the same

We all bleed r-e-e-e-d-d-d
