Someone Like You

Erick Baker â€“ Someone Like You

The first time I saw you, you helped me understand, all Iâ€™ve taken for granted waiting on a second chance...
I started feeling something, I've never known, with one smile you taught me, my heart is not my own
Cuase Iâ€™ve been waiting for so long, honey to feel the way I do, all Iâ€™ve ever wanted is love someone like you

What it means to love, to think I thought I knew, with you beside me, there aint nothing I cant do, so wrap your arms around me and kiss me, till our lips are soreâ€¦
You make the soul inside me dance like fire on the floor
Cause Iâ€™ve been waiting for so long honey, to feel the way I do, all Iâ€™ve ever wanted is to love someone like yo

I be â€“li-eve youâ€™ve found me, without you who knows where I'd be, I be-li-eve youâ€™ve blessed me...
Theres nothing more Iâ€™ll ever needâ€¦
You are an angel out of the good lords plan
Sent here to save me, to make me a better man
Now we have a baby, maybe more someday...
Wake up each morning, love you more than yesterday, cause Iâ€™ve been waiting for so long, honey to feel the way I do, all Iâ€™ve ever wanted is to love someone like you...
Yes, Iâ€™ve been waiting for someone, to feel the same way too, all I ever need, is to loveâ€¦ and be loved... by youâ€¦
