[Shannen Moser](#)

I had a dream that you came back
And I love dreams
That not all the things go bad
In this dream you were searching for
A time less clear and space from the floor
And if you notice
That things are out of place
And if you notice
Somehow this has changed
And if you notice
I had a dream that you were on the phone
And everyone felt much more less alone
On the phone ypu were telling me that everything's not quite as bad as it seems
And if you notice
That things are out of place
And if you notice
Somehow this has changed
And if you notice
