Louder, Harder, Better

Galantis

Are you the one, from my side of town?
Maybe, maybe
It's hard breathing in, it's hard breathing out
Lately, LatelyOh
Louder, harder, better
Oh
As good as it ever getsAre you the one, from my side of town?
Maybe, maybe
It's something you want, as wrong as it is
Lately, lately, lately, latelyOh
Louder, harder, better
Oh
As good as it ever gets, better
Oh
Louder, deeper, better
Oh
As good as it ever getsOhOh
Louder, harder, betterAs good as it ever getsAre you the one, from my side of town
Maybe, maybe
It's hard breathing in, its hard breathing out
Lately, lately, lately, lately, lately, lately, lately, lately, lately
As good as it ever getsOhOh
Louder, harder, better
Oh
As good as it ever gets
