

Louder, Harder, Better

Galantis

Are you the one, from my side of town?
Maybe, maybe
It's hard breathing in, it's hard breathing out
Lately, Lately Oh
Louder, harder, better
Oh
As good as it ever gets Are you the one, from my side of town?
Maybe, maybe
It's something you want, as wrong as it is
Lately, lately, lately, lately Oh
Louder, harder, better
Oh
As good as it ever gets, better
Oh
Louder, deeper, better
Oh
As good as it ever gets Oh Oh
Louder, harder, better As good as it ever gets Are you the one, from my side of town
Maybe, maybe
It's hard breathing in, its hard breathing out
Lately, lately, lately, lately, lately, lately, lately, lately, lately, lately
As good as it ever gets Oh Oh
Louder, harder, better
Oh
As good as it ever gets
