

Prepped for War (feat. Hellnback)

Winnipeg's Most

Okay This is Winnipeg's Most John C Brooklyn Charlie Better Stopping J Mac (Ah Ha)
We Prep For War Ready To Go All Out On The Ground All Night Till The Product's All
Out Beat It Don't Boy Stacking Dollars In The Drought Y'all Be The Haters Busy Running In Your Mouth
With Yourself
A Big Game But Nobody Believes You Better Have That Weapon You Spoke About When We See You
Transparent Rappers Because
Your Soul Is So See Through You The Champ We The Contenders That Here To Beat You New Brett Hart The
Canadian Hit Man
A Long Way From Those Days We Would Spit Grams That Was Big Mounths Of Good Puffing Under
Moonlight Won't Quit The Hustle
Then my family get my boobs right We seem to stop and Dunn felt the bottom bed said opponent all the goonies
is riding riding
arms to the teeth they're are ready to get popping winnipeg's most till i'm laying in my coffee we see the top and
done felt the botton i want
you to understand who we ride for life's a bitch and i know she got all the soul for the poor So take prep for war
we've seen the topic done felt the bottom line want
you to understand who we ride for life's a bitch and i know i know she got all the soul for the poor So Take Prep
For War
got more so take a breath over just stop looking life really see where you are you need to weigh your intention
to pray
to the lord i paint your face strap up against the floor heat bags coming baby We prepared for more (Ah Ha) we
get a papa peg city
duty dropping the heat its operation city Love (Ah Huh) Its Fish To completed It For The World Now Both The
Bigger Better
Things Blinging Out the earth jackets at it for frank keep it on the low Ain't Nobody Posted To Know (No
Body)
my hands ain't on the dope but my friends are on the dough i be ghetto since ghetto been a bit of a hole Be Part
of a bigger
pictures sence around the globe made more hits on the ice man did for the dip for the monters make more
money sitting
than larry the lobster Cmon are you serious You fucking with monsters We Prep for War And It's that Before
The song lets go
we've see the top and done felt the botton liners i want
you to understand who we ride for life's a bitch and i know she got more so for the boys over say prep for woke
we've seen the topics done unfelt the bottom line want
you to understand who we ride for life's a bitch and i know i know she got more so for the boys over say prep
for woke
can't have my hustle can't stop my shine i'll prep for in the like My middle man you know you know me i know
you heard about

all the dose already So Don't Get Your Pistol Up Look I will fuck you up then there is nothing know and i'm
gonna put you up
and leave your head And loom you betray my trust Point Fingers At the pit got me sucked to cuss but i don't
give a fuck
because that's the lesson learned before that time of serve you capture gonna burn it's only through the street
grand dad that
already earned the kitchen let me zip it up don't let it occur because that kid in your career is gonna be the end
of your game
and you gonna be Transparent when you look in the mirror and now i am mean i dont shake i don't spin heads
he is stable dad
world like mine we've seen the top and done felt of bottom i just want you to understand who we ride for life's
a bitch
and i know she got bored for the work for the boys over say prep for war we seen the topic done felt the bottom
liners want
you to understand who we ride for life's a bitch and i know she got more so for the boys over so stay prep for
war
