

Good Lovin' Gone Bad (Remastered Version)

Bad Company

If I hear you knocking hard up on my door
Ain't no way that I'm gonna answer it
'Cos cheating is one thing and lying is another
And when I say it's over that's it I'm gonna quit, yeah
Yeah, yeah, yeah Now I ain't complaining, just tryin' to understand
What makes a woman do the things she does
One day she'll love you, the next day she'll leave you
Why can't we have it just the way it used to be?
Why can't we have it baby? 'Cos I'm a man, I got my pride
I don't need no woman to hurt me inside
I need a love like any other, yeah
So go on and leave me, leave me for another Good lovin' gone bad
Yeah, yeah, yeah, yeah
Good lovin' gone bad, bad, bad
Good lovin' gone bad, yeah
Baby I'm a bad man, oh no Oh yes, yes indeed, indeed I am Now I'm a man, I got my pride
Don't need no woman to hurt me inside
I need a love like any other
So go on and leave me, leave me for another Good lovin' gone bad
It's gonna say
Good lovin' gone bad
Love, love, love
Good lovin' gone bad
Yeah, yeah, yeah
And baby I'm a bad man Good lovin' gone bad
What I wanna say
Good lovin' gone bad
Good lovin', good lovin' gone bad
Baby I'm a bad man Good lovin' gone bad
Good lovin' gone bad
Good lovin' gone bad
I'm a sad man, don't stand in my way
'Cause baby I'm a bad man, yeah yeah yeah
