

I'll Stand By You (The X Factor USA Performance)

Fifth Harmony

Lauren: Oh, why you look so sad?
Tears are in your eyes
Come on and come to me now Camila: Don't be ashamed to cry
Let me see you through
'cause I've seen the dark side too Dinah: When the night falls on you
You don't know what to do
Nothing you confess
Could make me love you less Fifth Harmony: I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you Normani: So if you're mad, get mad
Don't hold it all inside
Come on and talk to me now Camila: Hey, what you got to hide?
I get angry too
Well I'm a lot like you Ally: When you're standing at the crossroads
And don't know which path to choose Camila: Let me come along
'Cause even if you're wrong Fifth Harmony: I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you
Take me in, into your darkest hour
And I'll never desert you
I'll stand by you
