

I've Got My Love to Keep Me Warm

Ella Fitzgerald

The snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm
I've got my love to keep me warm I can't remember a worse December
Just watch those icicles form
What do I care if icicles form
I've got my love to keep me warm Off with my overcoat, off with my glove
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm Yes, snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm
I've got my love to keep me warm Yes, I can't remember a worse December
Just watch those icicles form
What do I care if icicles form
Baby, I've got my love to keep me warm Oh, off with my overcoat, off with my gloves
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm The snow is snowing, the wind is blowing
But I can weather the storm, storm, storm
What do I care how much it may storm
I've got my love to keep me warm I can't remember a worse December
Just watch those icicles form
What do I care if icicles form
Thus I've got my love to keep me warm Yes, off with my overcoat, off with my gloves
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me, I've got my love to keep me
I've got my love to keep me warm
