

# That's All I Want From You

[Nina Simone](#)

(1955) m. rotha (pseud. of fritz rotter)

Our little love slowly grows and grows

Not one that comes and goes

That's all I want from you

A sunny day with hopes up to the sky

Another day that comes and dies

That's all I want from you

Don't let me down, oh show me that you care

Remember when you give, you always get your share

Don't let me down, I have no time to wait

Tomorrow might not come, when dreamers dream too late

Our little love slowly grows and grows

Not one that comes and goes

That's all I want from you

A sunny day with hopes up to the sky

Another day that comes and dies

That's all I want from you

Don't let me down, oh show me that you care

Remember when you give, you always get your share

Don't let me down, I have no time to wait

Tomorrow might not come, when dreamers dream too late

Our little love slowly grows and grows

Not one that comes and goes

That's all I want from you
