## Rostam

Sunlight on your eyelids  
You were sleeping  
Sunlight on your back  
You were dreaming And I lay inside a field  
Beneath a cherry tree  
And listen to the grass  
And horses as they pass  
And I wake up in the light  
Across the mountainside  
And I sleep beside a fire  
I built with burning tires  
Sunlight on your eyelids  
You were sleeping  
Sunlight on your back  
You were dreaming
