Show Me The Way

[Black Tide](#)

I need to find the light
To shine my way through
I feel so confused
That I might need some help
Yeah, yeahLead me to the path
I need to find it anyway[Chorus: x2]
Show me the way
To the fatal world
Show me the way to the fatal worldShow me the wayPlease show me the way
And I will never complain
It's only a matter of time
Before I go insaneLead me to the path
I need to find it anyway[Chorus: x2]Show me the wayIf you let me inside
Creation will crash through the sky
A catastrophic misconception of light
Yeah[Chorus: x3]This fatal world
