Lessons From What's Poor

Bonnie 'Prince' Billy

When i go
Follow my brother
He's got the blood of father and mother
And he has a spirit that's even mightierAnd if i hunger,
See that i do
Bring me water,
Bring me food
And fill me up with things that are true,
And very goodAnd if you want to,
Touch my wrist
With the hands
That i have kissed
And hold my cuffs
So strong in your fistSee now, watch
How it is i am
Watch what i do,
And how i stand
And stand down boys
For we are grand
Right now we areI take my lessons
From what's poor
That's what God
Has put me for
Wealth is death,
Of that i'm sure
Farewell
