

Set the Controls for the Heart of the Sun

Pink Floyd

Little by little the night turns around
Counting the leaves which tremble at dawn
Lotus's lean on each other in yearning
Over the hills a swallow is resting
Set the controls for the heart of the sun Over the mountain
Watching the watcher
Breaking the darkness
Waking the grapevine
Knowledge of love is knowledge of shadow
Love is the shadow that ripens the wine
Set the controls for the heart of the sun
The heart of the sun
The heart of the sun (repeating) Witness the man who waves at the wall
Making the shape of his questions to heaven
Whether the sun will fall in the evening
Will he remember the lesson of giving?
Set the controls for the heart of the sun
The heart of the sun
The heart of the sun (repeating)
