HELLO DARKNESS

New Years Day

Between the grey and red shadows of twilight
The time stands still.
It seems like a hundred light-years
Since the day you went away.Oh
oh
oh
hello
hello darknessStep inside
make the hours run thru' the night.Knowing that you're far from my heartIt's so hard to live on.
But on the day when you'll return
Know you'll make my fire burn
When the night is over you'll be mine.Hello
hello darkness
Step inside
make the hours run thru' the night.
